

## Our Mission Statement Speed Care Mineral

We are the world's first and only manufacturer of Halloysite based emergency dressing to save lives in critical bleeding situations. Founded in 2017 and supported by European funds ERDF we have developed a patented manufacturing process for our SpeedM® Emergency Hemostatic Dressing.

SpeedM® has been certified in 2024 according to Regulation (EU) 2017/745 on Medical Devices (MDR).

Speed Care Mineral offers 100% EU manufacturing in Germany.  
We manufacture and store in 7 different places for maximum supply chain stability.  
We have installed additional own ground transportation capacity for up to 15 Mio. units of SpeedM® per year.  
We are the only manufacturer of emergency hemostatic dressing within the EU. We can reach all 27 member states with more than 450 Mio. inhabitants without any customs and duties.

## Our Commitment to our Resilience

We secure essential manufacturing, storage and transport capacity for our soldiers and medics. Just contact Speed Care Mineral for further details.
